

48-128

For light applications requiring a good level of abrasion resistance & grip

Multi Purpose

Oil

Light Duty

Better alternatives to light or medium weight knitted cotton gloves due to the Nitrile coating that offers much better grip, cushioning and long abrasion resistance.

- EDGE® 48-128 industrial work gloves combine a seamless knitted dark grey polyester liner with elasticized knit wrist dipped into black straight nitrile coating.
- Better alternatives to light or medium weight knitted cotton gloves due to the Nitrile coating that offers much better grip, cushioning and long abrasion resistance.
- EDGE® 48-128 is the practical choice for light applications where oil is present.

Industries

- Automotive
- Machinery and Equipment

Applications

- Assembly of small parts
- General handling
- Packaging
- Quality control
